Tell me, who you really really really think is more lyrical  
Cause everytime I go somebody got to see they  
medical  
And everytime I come, I'm eating everything thats  
edible  
And if you aint already know, then who be more  
incredible?  
They wanna call me crazy like I'm borderline  
cynical  
Cause how I do it and I kill 'em and I get incredible  
And magically do it like this was another miracle  
And if you don't like it you can suck up on my  
genitals  
ta-ta-ta-tal ta-ta-ta-ta tals  
Do a little bitch and get up off your pedastal  
And whenever you see me you better salute the general  
Cause I will break it down to every single mineral  
(Surp, surp, surp, surp)  
Suck up on my testicle again when you see me  
counting money  
Money thats similar again, bout cop another diamond  
and a Senegal again  
Everybody sayin' that he uncomparable  
again! okay  
Killing everything we 'bout to have a funeral  
a lot of you n-ggas be doing whatever you be doing  
And I don't even know what to call it, just sound  
terrible  
Lower down the chorus, see we have another burial  
These n-ggas that be rambling and babbling  
I aint hearing them  
And everybody know that I be handlin' my B-I  
When it come to other rappers know I be scarin'  
them  
Chop, chop, chop chop  
Chop another beat up  
Now you see the way I heat up everybody when I meet  
up  
Just to come inside the building and witness another  
killing  
And then relax and then shop back and put my feet up  
Every beat that I touch I'm mma lace

Iâ€™™ mma never stop even with a muzzle on my face  
When I finish with thisâ€™|.  
I GO HAM
