It's too late to turn back now nigga
Getcha money, getcha money
Getcha money, getcha money
Getcha money, getcha money
Hey I'm bout to activate a wonder twin power on their
ass
Getcha money, getcha money
T-Pain yeah

You should already know when I walk in the door
That it ain't no use in frontin' on me
I'ma hustle, I'ma do my thing
You already know what it's gon' be

I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
And if you feel me put your hands up
And come and sing the hustler's anthem with me

It's an anthem like
La la la la la
Yeah, yeah
La la la la la
Keep hustlin' dog

La la la la
La la la la
Keep hustlin' dog
La la la la la
Yeah, yeah

La la la la la
Keep hustlin' dog
La la la la
La la la la
(Yeah, check, ok, let's go)

It's still what it do, what it do all day
Come through and get it jumpin'
Throwin' money away

It don't matter if you're hustlin' a bundle of yay
Or you got a 9 to 5
Let the champagne spray

Veuve click, a little Dom, or Jouet rose
Two chicks on my arm when I step okay
Gillette razor sharp
You know the boy don't play
BC ten drop me in San Tropez

Let the money machine roll on
We been needin' a nigga like you in the street so long
Every time I drops yakkin', I'ma do no wrong
Our progress you and your little crew prolong

You hata niggas, I know your forte
We blind your little shine, fuck what you portray
While you wanna leave I know your lil' chick wanna stay
And if you violate see I make sure you'll all gon' pay

You should already know when I walk in the door
That it ain't no use in frontin' on me
I'ma hustle, I'ma do my thing
You already know what it's gon' be

I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
And if you feel me put your hands up
And come and sing the hustler's anthem with me

It's an anthem like
La la la la la
Yeah, yeah
La la la la la
Keep hustlin' dog

La la la la
La la la la
Keep hustlin' dog
La la la la la
Yeah, yeah

La la la la la
Keep hustlin' dog
La la la la
La la la la
(Keep hustlin' dog)

Hey world, the god's back in town

You ain't gonna wanna miss it
When the shit go down
We celebratin' like we throwin' money around
Bring a lot of 'trone, we 'bout to order a couple of
rounds

Look, I know at times it probably seem like the hardest
When you ain't got it, but you gotta go and get it
regardless
Check it, get on your hustle homie
Get up and go
And do it proper for the veteran knows

And go and cop an island
And do a lot so I can stack up a row
With a couple billion, with a stash in the flow
Up in the mansion, listen
I'm only tellin' you the theme of this caper
Is get your money nigga, stack up your paper
Let's keep it goin'

You should already know when I walk in the door
That it ain't no use in frontin' on me
I'ma hustle, I'ma do my thing
You already know what it's gon' be

I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
And if you feel me put your hands up
And come and sing the hustler's anthem with me

It's an anthem like
La la la la
Yeah, yeah
La la la la
Keep hustlin' dog

La la la la
La la la la
Keep hustlin' dog
La la la la
Yeah, yeah

La la la la la
Keep hustlin' dog
La la la la
La la la la
(Keep hustlin' dog)

The way the kid be bangin' at random
And the way the bitches spaz, the way they throwin' a
tantrum
Tryin' to hustle, cop a plane, a couple ships, nigga and
some
You hustle up on the block, some niggas hustle at
ransom

Now, as long as you can go and muscle a grip
Whether you shinin' from a grind or if you hustle legit
Either way get money nigga
Turn on the switches for power hustlin'
And stack all your riches
That's how we on it

You should already know when I walk in the door
That it ain't no use in frontin' on me
I'ma hustle, I'ma do my thing
You already know what it's gon' be

I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
I keep hustlin', yeah
And if you feel me put your hands up
And come and sing the hustler's anthem with me

It's an anthem like
La la la la la
Yeah, yeah
La la la la la
Keep hustlin' dog

La la la la
La la la la
I keep hustlin' dog
La la la la la
Yeah, yeah

La la la la la
Keep hustlin' dog
La la la la
La la la la
(Keep hustin' dog)
La la la la la
