It's too late to turn

You should already
know when I walk in
the door
That it ain't no use
in frontin' on me, frontin on me
I'm a hustle I'm a do my thing
You already know
what it's gon' be, what it's gon be
I keep hustlin yeah oh
I keep hustlin yeah oh
I keep hustlin
And if you feel me
put your hands up
And come and sing
the hustler's anthem
with me anthem like

Lalalala Yeah

Keep hustlin dog
Keep hustlin dog Yeah Yeah
Lalalalalala

What it do, what it do all day
Come through and get it jumpin'
Throwin' money away
It don't matter if
you're hustlin' a
bundle of yay

Or you got a 9 to 5
Let the champagne spray

Boom click a little don
of the red rose
Two chicks on my arm
when I step okay
Gillette razor sharp
You know the boy don't play
BC ten drop me in Sandro pey yeah
Let the money machine roll on
We been needin' a
nigga like you in
the street so long
Everytime you drops yakkin'
You do no wrong
You hata niggas
I know your forte
We blind your little shine
Fuck what you portrait
While you wanna leave
Your lil chick wanna stay
And if you violate
I assure you'll all gon' pay

You should already
know when I walk in
the door
That it ain't no use
in frontin' on me frontin on me
I'm a hustle I'm a do my thing
You already know
what it's gon' be
I keep hustlin yeah oh
I keep hustlin yeah oh
I keep hustlin
And if you feel me
put your hands up
And come and sing
the hustler's anthem
with me

And go and cop an island
And do a lot so I

Whether you shinin'

Or you hustle legit
