[Notorious B.I.G]

Notorious is glorious in the sack
Hit skins from the back
Put my thumb up in the ass crack
Brooklyn freaky n-gga with the most stuff
I'm Jesus pops, Mary just blame Joseph
You should see her drink the semen
She suck a mean one
Leaving them three apostle's scheming
See when, BIG f-ck a bitch
B.I.G duck a bitch, quick fast
Dick to ass, don't hesitate split fast
You know what's up, here's a quarter and a buck
My steps is kinda creaky, try not to wake my moms up
Cause when I bust, I lick shots like a shotty
Thats why nut is all over your body
You know what's up

[Busta Rhymes]

B.R. and B.I. get cream
People always sayin' what the hell does that mean?
Bitches always see me and they can't understand how I
once was a little boy and became a man
Now, as for the way we make em scream and shout,
bitches
One by one I knock you out, bitches
One by one I knock you out, bitches

You're dippin your hand in the grab bag
Stopping and than I drop it, and pop em
Dig up all in your ass bag
She giving me head all up in the back of the damn cab
The meter running hoping shawty paying the damn tab
She how the ass drag
This shit big, thats why we f-ck em New York all the way
down to Baghdad
Stabbing the p-ssy and jabbing like I'm Zab Judah
And plummet her p-ssy with plungers like I'm Roto
Rooter
Beat the p-ssy til the shit flab
And wear it out til it swole and the coochie smelling like
king crab

This type of dick is something this bitch never had
And make her swallow the dick til the bitch gag
Get mad, chick grabbing all over my jonhson, Charles
Bronson
Big slab of meat, hungry and fresh of a monthly so she
had to eat
Throwing me the ass and we aint even have to speak

[Busta Rhymes]
B.R. and B.I. get cream
People always sayin' what the hell does that mean?
Bitches always see me and they can't understand how I
once was a little boy and became a man
Now, as for the way we make em scream and shout,

One by one I knock you out, bitches
One by one I knock you out, bitches
