'Cause see that's my chick, that's my chick
That's my chick,? cause she could get it

And she the type keep it all on the low
Never stress the kid when I'm surrounded with, yo
If you knew the thing that she be doing to me

You see my chick is a one of a kind
I know you wish your chick was a rider like mine
When you see my miss you know my shorty's a dime
When she dolo with her peoples, they be skipping the
line

Listen, the type that reserve that ash for a fella
And if I had to skip town she's hold the stash for a fella
I'm saying, see that's my chick, that's my chick
That's my chick,? cause she could get it

I know you buggin' on the way this sound
But you know I love the way my chick be holdin' it down
Extremely thorough by the way she reppin' it hard
Travel anywhere my shorty come touch on the guard

Bust it, mami always quick to do what she can
Even if she had to get up and just lie on the stand
I'm saying,? cause that's my chick, that's my chick
That's my chick,? cause she could get it
