#### **"I'm A Go And Get My..."**

(feat. Mike Epps)

Mike Epps

My name is P-Shake  
I'm a number runner  
And I just wanna let you know that  
I'm gettin' that Arab money  
I'm gettin' that Chinese money  
I'm gettin' that mother fucking British Columbia money  
Nigga basically what I'm sayin' is yo dolla ain't shit you  
feel me  
And bullshit ain't nothing but chewed up grass  
And thats a big black ball that come out of a cows ass  
So the next time you see that anointed bitch you know  
Bend her spin and go up in her and let her know  
Bitch there is no dinner  
These are the reason and these are the number I got  
for ya and is  
13,20,27,38  
25,27,13,20,27th,38's dododo dodo

*[Chorus X2]*

I'm a go and get my 25 over on 27th  
Be back in 13 minutes or either 20  
Get back with 27 niggas with them 38's dododo dodo

See there was this situation with a couple niggas I was  
peepin  
The way they was movin analyzin the shit they was doin  
in the club  
Grillin and screwin their faces up  
Felt like they chilled and moved a couple places up  
laying me close  
But I'm sayin we most...ly be in a spot celebratin  
somethin and probably makin a toast  
Party to we Probably shakin the coast and hardly ever  
start a problem unless you gotta  
I'm sayin we suppose to be enjoyin ourself nigga  
Cause entrepreneur and gwap connesuirs Employin  
ourself niggas

Exploitin my wealth with the company and people  
Until a hater got to anointin himself too be the one to  
come in  
And had a couple dudes to support him actin all like  
sure like he had the thing on him  
And then after we finish beatin on him now he know we  
ain't playin  
That's when he walked away sayin

*[Chorus X2]*

I'm a go and get my 25 over on 27th  
Be back in 13 minutes or either 20  
Get back with 27 niggas with them 38's dododo dodo

Shit is really bug to me  
How some of these niggas they be comin and settin  
theyself up to you hit them  
And gettin theyself up in the altercations they don't  
really be needin  
Until it's to late and they realize that a body part is  
bleedin  
Instead of bein out and enjoyin the people they be actin  
all tough yappin and bluffin  
Instead of bein all peaceful the partially thugs be  
spreadin like cancer  
Frontin like gangsters until you bust their head and  
they lookin like dancers  
While they leanin and the rockin with after  
You could've avoided BEEF! this shit is annoying CHEIF!  
Cause now you got the bouncer stoppin the door  
Can't let nobody else is gettin in cause we moppin the  
floor wit ya  
Instead you could have came to party and be ??  
Bag you a chick while you sipin on somethin but  
Instead you chose to do somethin that made us  
Fuck yo shit up for playin now what the fuck is he sayin.

*[Chorus X2]*

I'm a go and get my 25 over on 27th  
Be back in 13 minutes or either 20  
Get back with 27 niggas wit them 38's dododo dodo.
