Daddy, can I sing this song, please?  
Thank you.

Hush other rap & niggas, don't you cry  
Flip Mode is back & you are gonna die  
Now they all niggas really make it sound good  
I can live alot safer 'cause you moved out the hood  
It's too late for you to try to call a truce  
You tell him & your nigga like the sniper on lose  
Better watch your head  
You better watch how you talk  
Watch me sleep, watch me walk  
Always beware of a choice you make  
Every {?} & every route you take  
Crazy shit of you everytime I had to talk  
I {?} pass, since {?} of New York  
Now we sayin' shit I never thought we'd say before.  
If you ain't realize It Ain't Safe No More.  
If you ain't realize It Ain't Safe No More.  
If You ain't realize It Ain't Safe No More.

[Busta Rhymes:]  
Yeah, unfortunately for alot of you muh'fuckers  
We 'about to wet up in your shit  
& give it to you in the way that you might not be  
prepared to deal with  
But it is what it is.  
& It Ain't muthafuckin' Safe No More!!!!
