(Here I go wha)  
Iz they getting' rowdy wit' us  
Iz they wildin' wit us  
Yeah yeah  
Flipmode nigga (wha)  
No Limit nigga (wha)  
Flipmode nigga (wha)  
No Limit nigga (wha)  
Flipmode nigga  
Yo yo yo (Here we go)  
[Mystikal:]  
Coincide with yo boy check out with no lines  
On yo boy look out but don't hide  
When you bust it up and keep rhymes  
When you walk towards the tape offline  
For your boys got instinct rhymes  
When you bump between the sixteen lines  
When you bowl win the goal bitches scream  
Win the goal keep ahead keep it live  
Before you go get your tattoo rhymes  
For your boy pick a bell in the bathroom  
Penalized doing it till he get tired of ya boy  
That shit between me and you niggas  
Then trying to figure out what I say  
I give less than a fuck, what you doing over there  
Just don't get in my way  
Hear my records feel my presence now and forever  
and until  
Stop what you doing and work it fuck it nice  
Just complete it with a licking to the man right there  
Tell you mother fuckers what we came to do  
It's just plain as day but they don't wanna see  
If you don't wanna fight get the fuck is you'll be  
In the spot working on my beat  
Long time I'm having no compromise  
I'ma open them up and them I'm dumping them out  
I'm keeping it hard so don't get mad

Cause I'm loading 'em up and I'm running 'em out  
Hit 'em with the bang then I feel a bang  
Take her in the backyard outside leave 'em in a ring  
Teach the niggas not to fuck with us  
And next year we gon do the same thing and  
[Chorus
