"Light Up A Fire"

Colours of day dawn into the mind
The sun has come up, the night is behind
Go down in the city, into the street
And let's give the message to the people we meet

So light up the fire and let the flame burn
Open the door, let Jesus return
Take seeds of His Spirit, let the fruit grow
Tell the people of Jesus, let His love show

Go through the park, on into the town
The sun still shines on, it never goes down
The light of the world is risen again
The people of darkness are needing a friend

Open your eyes, look into the sky
The darkness has come, the sun came todie
The evening draws on, the sun disappears
But Jesus is living, His Spirit is near
