I think I love ya  
I think I love ya not

I think I love ya (WOOOOOOOOOOOOO!)  
I think I love ya not (I love you)

I think I love you

(I can't get away from that  
Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!)

Baby girl see you the one right  
And I love the way you 'preciate my sunlight  
Revolve around me how the planets do the Sun like  
They compliment the God phenomenally, just right  
Hmmm-- in the beginning you were just a cutie  
But I love the way your flesh and spirit manifest your  
beauty  
Smile, pretty ass-- bigger than my whole jacuzzi  
It's my city, have a seat and let me show the movie  
Hmmm-- but I don't like it when you try to fight  
Going through the love and hell for shit to turn right  
Instead of turnin' LEFT-- that's when the pain stick  
See I don't like it when yo ass try to talk shit  
You see it's such a problem, when you be actin' moody  
Gettin' mad at little shit and hold out on the coochie  
Ha- even when I see the wrong sign  
Baby girl me love you long time

Baby I don't like you  
(I've got a problem baby)  
Even though I love you  
(You got me going crazy)  
Baby I don't like you  
(All up in my face baby)  
Even though I love you

I can't get away from that

Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!

Erry time you step up on the scene  
I love the way you shine, I love the way you gleam  
I love the way you think, I love the way you dream  
I love the way you cook, I love the way you clean (I love  
you)  
The way you rep for me, it's hard to doubt ya  
I scratch my head thinking all what else I love about ya  
So many different things, sometimes you drive me  
crazy  
But what I love the most is how you love me baby (I hate  
you)  
Hmmm- But then again when you be acting psycho  
And I don't like it when you get jealous of me, acting  
spiteful  
Emotional and overzealous, got me feeling stifled  
See I don't like the way you be black when you be on  
your cycle  
Hmmm- I think about when you be slackin' up  
And you could read see how I don't like the way you be  
actin' up  
Ha, Even when I see the wrong sign  
Fuck it-- you know me love ya long time

Baby I don't like you  
(I've got a problem baby)  
Even though I love you  
(You got me going crazy)  
Baby I don't like you  
(All up in my face baby)  
Even though I love you

I can't get away from that  
Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!

(I love you)  
That's why I got you on my side  
(I hate you)  
That's when I put you out my ride  
(I love you)  
That's why I rep you with the fullest  
(Baby then I hate you)  
Whenever you be on that bullshit  
All my ladies all around the world

Hold your man down, show him how you rep to the  
finish  
All my homies all around the world  
Hold your girl down, show 'em how you rep when they  
with us

Baby I don't like you  
(I've got a problem baby)  
Even though I love you  
(You got me going crazy)  
Baby I don't like you  
(All up in my face baby)  
Even though I love you

I can't get away from that  
Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!

Baby I don't like you  
(I've got a problem baby)  
Even though I love you  
(You got me going crazy)  
Baby I don't like you  
(All up in my face baby)  
Even though I love you

I can't get away from that  
Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!

(I think I love ya)  
I love you

I can't get away from that  
Taste baby come on  
So good, so warm  
I love you, I hate you  
Need it like heroin, OOOOOHHHH!

(I think I love ya)  
I love you  
(I think I love ya not)  
(I think I love ya)

I love you
