Just make it clap, just make it clap
Ay yo we 'bout to take everybody from every street
And throw a party in the Grand Canyon, come on!!!

[Verse 1: Busta Rhymes]

Hey! Hey! Ain't no fakin the fluid
Water drippin off asses of women that's shakin it to it
While I'm takin you through it, no mistakin my crew is
Flipmode baby!!! got you actin all stupid
Now I'm back in the cupid, just to tell you the truth is
Them niggas that be havin you blacken and ready to
lose it
Pushin lambos and harley rockin Roberto Cavalli (Huh!)
Now I got a new hobby diamonds and tattoos and
bodies
Watch me crash through the party, go 'head and spaz
girl
Tatoo in the name of my click across yo' ass girl
We 'bout to blast girl, from here to Albuquerque
Like jamaican niggas rockin big chains in socker
jerseys
Take you on hotter journeys, the way we put it down
And be hittin be havin you shittin more than a box of
hersheys
We come to control it we come to command it
And just for the record we always come to set a new
standard
Act like you know

[Chorus: Busta Rhymes]

Incuse you ain't know and incuse you ain't heard
And if you want us to set it just give me the word
This one goes out to my soldiers that be flippin them
birds
To all my shorties wigglin they shakin they curves
Just make it clap, Just make it clap, Just make it clap
Just make it clap

[Verse 2: Spliff Star]

See you a hot little mama it's only right that I holla
Love your face love your smile love that ass in a Prada
Make it, bounce up and down like the six four impalla
Turn around wiggle it like you shakin it for dollars
Girl your skin tone pretty and you love top wear Vickey
Sport Gucci and Gabbana when you love the world is
sticky
Got a, crib in the city with a cherry eight fifty
We could cruise down the avenue and shop till you
dizzy
Throw some karats in your pinky have your neck and
wrist blingy
I could bless you with it all boo but never say gimme
We can, pop yellow bottles push whips in all models
Vroom vroom on the Calisport instead of Gucci
goggles
I'm a fly little nigga boo enough for you to dig it boo
Hit me up later we can go somewhere and kick it boo
The name is Spliff baby I'll make you man hate me
Cause my shit's steak and gravy plus my pipe gettin
crazy baby

[Chorus: Busta Rhymes]

Incase you ain't know and incase you ain't heard
And if you want us to set it just give me the word
This one goes out to my soldiers that be flippin them
birds
To all my shorties wigglin they shakin they curves
Just make it clap, Just make it clap, Just make it clap
Just make it clap

[Bridge: Busta Rhymes]
