I do it like a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
I do it like a movie cuz my life is a movie  
My life is a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
My life is a movie, my life is a movie  
My life is a movie, chill just a little bit damn ho  
Silent a hummer use an ass again  
Played out nigga, ass broke  
Bitch I'm Marlon Brando  
Y'all niggas sweeter than a mango  
Y'all call your niggas, always talk that shit  
But y'all only remind me of my last ho  
Baby girl get up on the damn pole  
Until you frame again it's for losers  
Drop you mega off in a man hole  
You love the your mama George lip kiss?  
Won't chill until a nigga kill nerves  
Y'all know I spit scripture  
When I talk I make a nigga feel words  
3d motion picture  
Took shorty back to the crib she bought  
Couldn't even find a description  
Ballroom sounds living room bitch  
Lightshow science fiction  
Movie premiere show time  
Y'all niggas know the way we move in  
All day, every day, red carpets  
Focus your lens, zoom in  
I do it like a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
I do it like a movie cuz my life is a movie  
My life is a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a

smoothie  
My life is a movie, my life is a movie  
Ok dog, my life is a movie  
All real with no filter  
My girl got on reefer  
Bitch I think I'm still burnt  
Boy look a documentary  
Cuz ain't no movie this real  
Flow sick and can't get well  
Bitch I think I'm Benzin'  
Get them heads in the egg when I shut down the show  
Hop off the stage and I couldn't even go  
Now one of these niggas can't fuck with my flow  
I'm hot as the sun, you've the courage to smell bad  
Bitch in my room, that's action  
Aha I'm gonna come in the attraction  
And they gon keep growin' till I hook up  
If you didn't know, motherfuck you will  
I do it like a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
I do it like a movie cuz my life is a movie  
My life is a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
My life is a movie, my life is a movie  
My life is a movie, limited Givenchy ostrich  
Landlord, goff off a hobbit  
Bitch, you know what a boss is  
Better get your hands up off this  
Suffocate your shine, vacuum  
And my most niggas still won't hate  
I'm diggin' any bitch in the bathroom  
Okay slime, tell them every time  
Y'all already know what the flash do  
When a diamond gleam and I never flick upon it  
Blinding everything when I pass through  
Do you really know what the cost is?  
Buggin' with your ticker, look at all this  
Don't know to count money, I just look up in them  
contracts  
A million dollar bills in the office  
I do it like a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci  
Most of them things with swag ho, my feet playin' like a  
smoothie  
I do it like a movie cuz my life is a movie  
My life is a movie, my life is a movie  
All my dreams is stacked up, all my belts is Gucci

Most of them things with swag ho, my feet playin' like a  
smoothie  
My life is a movie, my life is a movie
