Yo Fizzy you know we one and the same  
This is our type of party nigga

These bitches actin out, we love it though  
Busta boss nigga  
Hahaha yea

Itâ€™s my type of party  
Scratch it up  
Woo  
Quite strong me and T nigga uh

(Verse)

Itâ€™s strung out and Iâ€™m Neo  
Run the jungle with leos  
Bluntin but I keep C notes  
Kill niggas in trios  
Smoke weed with my PO  
Poppin molllys with JO  
Fuck the bitches with Tyga  
Then I get money stacks with C Lo  
Burn that, itâ€™s my homie  
Busta Rhymes is my Brodie  
I donâ€™t trust these bitches  
Carrying monsters like they coded ya  
Say Iâ€™m trill if they know me  
So what are my homies  
So say ice bottle in my hand  
But Iâ€™m in the club carrying that 40  
Came with bitches, thatâ€™s Rocky  
Nobody dance so they cocky  
Struttin hard through that lobby  
Headed outside to rob my Bugatti  
They got drunk in this party  
Now these bitches all horny  
And I was foamin like Raddy

So I pulled it out and let the bitch blow me  
Get my jury from Jacob  
I don't shop at Denny's  
Chain yellow and red  
She look like a Wendis  
Money stacks - I got plenty  
Look at my feet, my shoes they say Fendy  
In a trash pot I'm vamping like jelly  
Cooking that work up like it's Denny's

(Hook)

Your girl got a cute face, her friend got a nice body  
And they just wanna have fun, this my type of party  
200 bitches in the lobby, there's plenty bitches in my  
lobby  
And they all drinkin, they smoking, this my type of  
party

(Verse)

Bitch we bubble like soda, sellin these verses like coca  
Bitch respect my persona or I'll leave your ass up in a  
coma  
What's poppin slam occra?  
Twistin it girl like yoga  
Kiss yo bitch then I stroke her  
Make a plane cuz I got too much exposure  
All of my meals I eat coshure  
Blackout, break a nigga shoulder  
Put the ratchet back up in the holster  
Sick with it like it was pneumonia  
I like your chain but it's a loaner  
Can't talk to me, nigga hold up  
Short breath nigga, I'm a grownup  
To the space shuttle when a nigga roll up  
Shift the clusters when I touch that gas  
It's must so nigga bust that ass  
In this guster where you lost that trash  
While we in the club and now we got it on smash  
Smashin every arena  
International Visa  
When I'm done a nigga need FEMA  
Can't breathe, got emphysema  
White lines on a black table - zebra  
Stiff col, become another creature  
Tip toeing on top of the speaker  
Bitch strip club dance like a ballerina  
See me move with my army  
Fuck you niggas, I'm sorry  
With my caviar in my coffee  
Bitch this my type of party

(Hook)

Your girl got a cute face, her friend got a nice body
