(Akon)

When they tell you that you'll never get over
Just tell 'em they're number one
You're a champion
So don't believe 'em when they try and say it's over
Just tell 'em they're number one
You're a champion

(Busta Rhymes)

Now
There's nothing you can do to stop a nigga from within
With the hunger of a lion I secure another win (HEY)
So passionate
You might even misinterpret it as arrogance, I'm going
in (HEY)
I'm a make the world feel my pain
When I show you my muscle and I hustle through the
game
And even though they leave us in the hood like we aint
SHIT
We aint got nothing but everything to gain
Even if a motherfucker try to pop me
I'M SO BLESSED
Do anything that you could do to stop me (STOP ME)
Now I'm climbing up the ladder and I'm jumping at the
top
You might wanna call me ROCKY
See there's more of us (UGLY)
You don't really wanna war with us (TRUST ME)
So glorious
Coming from the battle, then we victorious

(Akon)

I see it in your eye
It aint hard to tell
They're watching you
(Can't nobody ever stop what I'm doing)
They just telling you lies
They want you to fail
They're plotting on you

(And they can never stop my movement)

So...

So don't believe 'em when they try to say it's over

(You know exactly what to tell 'em)

Just tell 'em they're number one (number one)

You're a champion

(T.I.)

See the websites lying, tryna block my shine

Don't you know you never will stop my grind

In a drop top flying, like I don't got time

Got everybody surprised that I wont drop dimes

What's on your mind?

Best get me off it

At least quit lying if you must keep talking

Go on with the nonsense, best keep walking

Boy how you sue us in the luggage that are hoping

A lot of ya'll gossip, I don't like that shawty

A couple months off I'll be right back shawty

With a brand new swag and a brand new forty

And a brand new ride, give a damn who saw it

Nationwide move, nigga yeah you saw it

Shawty need a bodyguard for a bodyguard don't it

Tip on and off sound kinda hard don't it

Ya'll hate to see me ball, take it up with god homie

(Akon)

I see it in your eye

It aint hard to tell

They're watching you
