GO!

Go! What be goin on over here?

Coming through top speed you better stand clear

OO! you better beware or step somewhere

We 'bout to blast outta here EXCITEMENT!

Yes I hope you know we come through

To cause choas like Darth Vader

Turn on your radar

On the downhill racing I'm holding my head

The situation that we parel on the torset

I am Reptar hear me roar!

I am Reptar the King of Dinosaurs!

O ya but sure I done but dirty

Still racing downhill like we doing a buck thrity

Ha! Oh my name is Herby (Herby)

The race car going inside the demolition derby (derby)

Reptar you must be really losing a screw

Becuae I think we losing control so what we gonna do?

Tell me what we gonna do

CHECK IT!

(Chorus)

What are we doing and where we gonna GO!

So fast its gonna blow dry your ass HOLE!

Get out the fast dramer says your moving to SLOW!

On your marks, get set, ready, GO!

(repeat)

(Verse 2)

I told panic

We don't get no static from downhill

Crazy rides running through 50 traffic

Ha! Made it dramatic

Plus I'm not really had it with situations like these

I better make it a habit

I am Reptar the perfect childrens toy!

For every girl every boy

I know they overly joyed

So fast I hear the wind whistling

Faster than a missle then

Ha is you listening?

No

In a minute we'll be soon to be arriving
Strive to put an end to all this reckless driving
I don't mean to bore you but
I am Reptar and I will destroy you!
Just like an image
Before we end up diminished
I hope that we can slow the pace down before the ride
finish
Reptar you must be really losing a screw
Because I think we losing control so what we gonna do?

(Chorus)
