Yeah, this one appears to be very forceful  
Very forceful yeah, here we go now

Niggaz, bitches, where you at talk  
Thug niggaz let me see y'all, yeah  
Hah, before we slap niggaz silly with somethin'  
And put you out your misery and your sufferin'  
Oh oh, yeah, and just for frontin'  
You got me bustin' two nines  
With one hand tied together or somethin'  
Ain't no mistakin' we takin' your trap  
In case you niggaz didn't know  
You fuckin' with the gladiators of rap  
On some John Reno shit in professional  
How we accurate and precise when we bust  
And every move is intentional  
Violate and I will get at yo' ass  
And if I can't catch you track star  
We'll start throwin' shit at yo' ass  
Wait a minute nigga, hold up a second  
See you're a bitch and while we bust yo' ass  
Yo' faggot peoples ain't even checkin'  
Yo y'all need to send the coroner, shit  
Leave you lookin' out a place  
Like you're a tourist on some foreigner shit  
(Yea)  
I be that nigga and I love to experiment  
With specific high explosives  
Just to take y'all niggaz out of this element, now

'Cause we got new shit for y'all  
All my niggaz in the spots  
Y'all know we tear the shit down and how we hold it  
nigga  
And we come to take shit over y'all  
Yes we here to regulate  
And put our foot down, the shop is closin' nigga  
Always rep the street for all y'all  
Constantly hittin' y'all off with street shit  
And keep y'all niggaz open, yeah  
All my niggaz, all my bitches  
Whatcha'all gon' do now

(Hah)  
Every time we come with that street shit  
(Yeah, yeah, yeah)

Yeah, we move like stone faced cold hearted niggaz  
Baldfaced straight retarded niggaz  
Aiyyo the shit we do be so off the hook  
Fuck around and get yo' leg broken  
Beat all in yo' face with ya foot  
We here to stay, fuck payin' a visit  
I only fuck with certain live niggaz  
Like my niggaz Tash and Xzibit

Ever since I vowed to keep the shit raw  
I stay hittin' niggaz with shit  
That'll leave they fuckin' face on the floor  
Every time niggaz know when we black  
Smack a nigga so fuckin' hard  
He'll fall and probably spin on his back  
Funny how niggaz'll always shit talk  
The very next day they will notice the difference  
In the way they bitch walk  
My street niggaz need to come for the ride  
Cause when we step up in the place  
You funny niggaz need to slide to the side  
I love to watch these funny niggaz diminish  
And while we slowly murder them niggaz  
They prayin' on the moment we finish  
I take you back to the very beginnin'  
And beat you in yo' head from birth  
And watch you grow lovin' the shit we be bringin'  
Street niggaz keep they mind on they dream  
Focus the most on gettin' they paper  
And be thoroughly reppin' they team  
You know we quick to mash it down for some hours  
Quick to leave some of these niggaz shook  
Runnin' with the rest of them cowards  
(Yea)  
And leave the rest of niggaz ready to dumb  
And rep the street until we all die  
Could give a fuck wherever you from, now

'Cause we got new shit for y'all  
All my niggaz in the spots  
Y'all know we tear the shit down and how we hold it  
nigga  
And we come to take shit over y'all  
Just because you regulate  
And put our foot down, the shop is closin' nigga  
Always rep the street for all y'all  
Constantly hittin' y'all off with street shit

And keep y'all niggaz open, now  
All my niggaz, all my bitches  
Whatcha'all gon' do now  
(Hah)  
Every time we come with that street shit  
(Yeah, yeah, yeah)

For all my motherfuckers  
That live in the urban city areas  
Only the urban city areas  
The ghettos  
The neighborhoods where they got, delis, liquor stores  
And churches right across the streets from alla that  
Yea  
Motherfuckers sellin' weed, crack, and all of that shit  
On the corner, it ain't the right thing to do  
But niggaz is put in the motherfuckin', livin' conditions  
They have to do that shit  
The street motherfuckers  
All y'all survival of the fittest motherfuckers, survive  
This is dedicated to y'all  
Street shit
