(feat. Ghostface, Raekwon, Rocky Marciano)

[Raekwon]

Straight up nigga, I'm a money nigga man
You know what time it is wit me, yo
That's right
Take the track, cut the heads off, split it down the
middle man
Take the bones out man for real
Yeah all applepie yeah
Straight up, Flipmode BK king

[Ghostface Killah]

It was the best heist since ice
Precise rituals
Skated outta Jacob's wit the Fruit Loop jewels
Holdin a navy blue uzi
Krush Groovin waves off the atlas
Coolin, that's how we make movies
Basketball gun brawlers, bounce
Black down 'bill-a-head banks, Malibu colorful shanks
That's the way we live, Staten Island kid
Old dog in it, the thug vaccine wit no pork in it
Vivid imagination paper chasin
Dufflebag swollen, we holdin
Drink chocolate milk before we roll in
It's like that ya'll, we gangstas
Stickin all you Bay Ridge Benzes
I'm out to get erect, terrific shit be the diamond district
Tiffany's, pretty Valentine brick is on the second floor
balcony
Gems is magnificent, diamonds is cryin
"Busta Rhymes take me, nevermind help!"

[Raekwon]

Aiyyo caught em at the ice pavilion
Dressy, salad bar style Nestle
Four white niggas, covered in vest pieces
Think like a mob flick
Guessin like Patsy in the mask, piece bust
Got aggravated, slapped the glass piece
One nigga beamin, faggot ass

Lay on the floor ya fuck!
Tied his broken arm to his Hush Puppies
Wrapped around trauma, everything realer than fuck
Tajuana left my nigga niece live comma
Three young Italians, suited down personal style
I'm in valour white designin on the 'dallions
Felt like some crackers was in back of me
Spit on the clerk, pass the Harry Winston set
Ghost backin me
Bust a shot, motored
Four male in paper work Lord
We get together once more before we blow this
Murdered nobody
Left em all baseball'd down, brotha
Three wicked ass 6's, Gucci colors

[Busta Rhymes]

MONEY! Drop dead on the floor
Nigga, pass the keys to the door
Pass me all the cash in the drawer
Or I promise you'll be payin the price
Feelin like a nigga died twice
Execute the world's greatest diamond heist
Ya'll niggas know we out to get this MONEY!
C'mon MONEY! [7x]
Raekwon, Ghostface, Rocky Marce C'MON!
Let's get this money nigga

[Rocky Marciano]

Yeah we ?near the mind? out west
Somewhere in Africa

The Feds is after us, vest on my back
Whippin the Acuras, feel like a mac bustin
A rug in Preston on percussion
I'll bust in your gate, nigga it's nothin
A hail storm, ice rainin, mind containin
Info, nigga what you in for? Complainin
Sick bars deep in this language
Did I tell you how my day's spent?
Speakin through the face of Ronald Regan
Iceberg History, calligraphy
Colidescope colors, hollow-head shells and flarin
gunmen
Hate to see me comin like gray skies on day of
judgment
Makes you wonder where the love went
Hit a nigga, feed him to some buzzards
Put up numbers, plus I'm one to push his mug in
We duck in the safe, check what I'm huggin
Rocks the size of some shit, out in the congo

My arms full, let's get the fuck out, Busta I got you

[Busta Rhymes]

Aiyyo we do great study on fossils and stones like
archeologists
Gem-ologists, collect the most priceless ices
anonymous
Canary stones yellow like a pumpkin
Dunkin Donut precious size stones make me wanna cut
the safe open
Rae pass the blowtorch, Ghost brought the dynamite
stick
Marciano brought a chisel wit an ice pick
Princess cuts, invisible settings
Plannin the world's greatest diamond heist playin a
tune by Otis Redding
Icicle cones hang from the ceiling just like stalagmites
Time to throw on a skully and tying a rag tight
Throwin light went off and in the basket
Grabbed the necklace from off the satin pillow while
the glass casket
Ice lay across the crushed burgandy velvet
Up in the diamond slide-tray
Gun in your face, slide it right away
Roundtable with Habib, Mirishnokof, and the rest of
them Jewish niggas
We got them niggas drunk and talkin foolish see
You know the way we straight manipulated the shit
We swindle them niggas for all their precious things
before we skated and shit
Yeah, ya'll niggas know we skated early
Disguised ourselves as the cidic Jews and even left my
sideburns curly
Bounce to Mexico and spend some pesos
And bury the diamonds on an island your never heard
Like Turks in Keikos
Everytime we hit, we in and out quick
Don't be surprised if we behind supplyin niggas all the
platinum and shit

[MONEY! 17x]

Yeah, the world's greatest jewel heist
Thoroughly and successfully executed
By none other than Ghostface Killah, Raekwon the Chef
Rock Marciano and Busta Rhymes
A job well done fellas, very good piece of work
