[Chorus: Ron Browz]

If two dollars gettin made, we want in  
If a stock is gettin trade, we want in  
A record gettin played, we want in  
A message to the game, that we want in  
Whoaaaaaaohhh, we want in  
Whoaaaaaaohhh, this is a fair warning  
Whoaaaaaaohhh, we want in  
Whoaaaaaaohhh, this is a fair warning

[Busta Rhymes]

Ha, hey ma! Look your child's grown  
And I built somethin, Flipmode is touchin down stone  
Look you shouldn't have no fear  
And now we bringin the streets back, look how it feel  
out here  
Now y'all respect the hard work, but I don't care nigga  
We all tryin to eat you better learn how to share  
You see the moral of the story and from how it begins  
is I'm extortin this whole shit - nigga I want in!

[Chorus]

[Spliff Star]

Open up the blood clat door let me in  
before I let the barrel spin and fire off the pin  
This is my block (block) this is my shop (shop)  
Fuck a ex-cuse, give me mines off the top  
What'chu waitin on? All my patience is gone  
I ain't waitin on no man, I stick to the program  
Keep the pockets bulky like the muscles on Conan,  
swollen  
European cars I be rollin - Spliff!

[Chorus]

[Show Money]

Geah niggaz, this is your fair warning  
I give one soo woo to the gang and they on it (soo woo)  
Cause you know how I think, drugs and extortion  
We tired of waitin nigga we want our portion  
You know what we endorsin, more violence and more

fortune  
Watch how you play with them boys - use caution  
It's {Money Roll} geah  
And that whole motherfuckin Flipmode, don't cross  
them

[Chorus]
