I love my girl cause she knows the shit
She acting kinda I'll but she aint scared of the dick
Got her on tape but though she act kinda rude
Bet she know my money gone
She spent a do on a dude
Real life chicken wanna mess with a thug
Sippin martini's drinkin, wanna sex in the club
Cause . . . see that's my chick
That's my chick, that's my chick
Yeah and she can get it
And she the type that keep it all on low
Never stress the kid when im surrounded with hoes
If you knew the thing that she be doing to me
In the club, in the crib, or when i'm pushing the v
See, shorty ass be all over the place
