We better try  
Try to get ourselves together, baby  
Oh, we, oh, we better try  
Try to get ourselves together, baby

Oh, girl, I swear I've got to talk to you  
There's something that I feel we need to do  
Let's take the time to try to figure out  
What's happened to us, baby, what's it all about?

We're getting further from each other every day  
We can't just sit by and watch love walk away  
If we don't try to save the love we got  
Once we lose it, girl, we're gonna lose a lot

Oh, we, oh, we better, girl, try  
Try to get ourselves together, baby  
We, oh, we better, girl, try  
Try to get ourselves together, baby

We've had it hard, we've had it cold, we've had it rough  
It never changed a thing between the two of us  
We always found a way to face it all together  
We need each other now, darling, more than ever

We've got to find the love we used to know  
Oh, if we find that love we'll learn to let it go  
Oh, what a shame if we lose all that  
'Cause once we lose it, girl, we never get it back

Girl, we better, oh, try  
Try to get ourselves together, baby  
We, oh, we better, oh, try  
Try to get ourselves together, baby  
We, oh, we better

We're getting further from each other every day  
Oh, we just can't sit by and watch love walk away  
If we don't try to save the love we got  
Once we lose it, girl, we're gonna lose a lot

Oh, we, we better try

Try to get ourselves, baby  
We, oh, we better try  
Try to get ourselves, baby

We, oh, we better try  
Try to get ourselves together, baby  
We, oh, we better try  
Try to get ourselves together, baby

We, oh, we better try  
Try to get ourselves together, baby  
We oh we better try  
Try to get ourselves together, baby

We better try  
Try to get ourselves together, baby
