We got it together, didn't we?  
Nobody but you and me  
We got it together, baby

My first, my last, my everything  
And the answer to all my dreams  
You're my sun, my moon, my guiding star  
My kind of wonderful, that's what you are

I know there's only, only one like you  
There's no way they could have made two  
You're, you're all I'm living for  
Your love I'll keep for evermore  
You're the first, my last, my everything

In you I've found so many things  
A love so new, only you could bring  
Can't you see if you, you'll make me feel this way  
You're like a first morning dew on a brand new day

I see so many ways  
That I can love you 'til the day I die  
You're my reality, yet I'm lost in a dream  
You're my first, my last, my everything

I know there's only one, only one like you  
There's no way they could have made two  
Girl, you're my reality but I'm lost in a dream  
You're the first, you're the last, my everything
