Nothin and nobody  
Baby, could ever take or stop  
The love that I have for you  
it's very simple, you see its  
Baby, it's real  
it's so, so real  
What I feel

I'll do for you anything you want me to  
you're my world, my hopes and dreams  
Without you, girl, it don't mean a thing  
For you I'll do anything you want me to  
you're my world, my hopes and dreams  
Without you, girl, it don't mean a thing

I never thought that I would be knowin  
The kind of love that you have been showin  
The way you do the beautiful things you do  
You really know how to make me love you

Uh, ah, can't you see I want it  
Ooh, uh, girl, Ive been lon-lonely  
Ooh, ooh, got to, got to hold you  
Ooh, ooh, got to make love to you

can't you feel the fire  
Im burnin up from one desire  
The thrill from loving you  
I can't help myself, I swear it's true

I'll do for you anything you want me to  
you're my world, my hopes and dreams  
Without you, girl, it don't mean a thing  
For you, girl, I'll do anything you want me to  
you're my world, my hopes and dreams  
And without you, girl, it don't mean a thing

I never thought that I would be feeling  
Love so strong for so long and still willin  
To give you all the love Ive got to give  
For as long, as long as Im chilling

Uh, ah, can't you see I want it  
Uh, uh, girl, I've been lon-lonely  
Ooh, ooh, now I got to hold you  
Ooh, ooh, gonna make love to you

Girl, I'll go insane  
If you ever take  
The love I feel for you  
I can't help myself, I swear it's true

I'll do, girl, for you anything you want me to  
you're my world, my hopes and dreams  
Without you, girl, it won't mean a thing  
No, no  
No, no, no, no, no  
No, no  
Uh...

I'll do, girl, for you anything you want me to  
you're my world, my hopes and dreams  
Without you, girl, it don't mean a thing  
For you I'll do
