If you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't waste time, don't delay it

Love is in your eyes every time you look at me  
No, you can't disguise it, I can clearly see  
You want to dance with me all night long  
Now you're trying to find a way to say, "Can I take you home"?

If you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't be shy, don't delay it

If you want me, say it  
Don't waste time, don't delay it  
It's hard to say you wanna play but that's okay  
Yes, I will stay with you for a little while

If you want me say it  
Don't waste time, don't delay it

I'm not any different than any other girl  
I'm trying to find love too in this big world  
Don't think of me as an easy score  
'Cause no one has ever made me feel this way before

A woman can lay with any man she wants  
It's really up to her whether she do or don't

So if you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't be shy, don't delay it

If you want me, say it  
Don't waste time, don't delay it  
It's hard to say you wanna play but that's okay  
Yes, I will stay with you for a little while

If you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't be shy, don't delay it

If you want me, say it  
Don't waste time, don't delay it  
If you want me

Yes, I will stay with you for a little while

If you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't waste time, don't delay it

If you want me, say it  
Don't waste time, don't delay it  
If you want me, say it  
Don't waste time, don't delay it
