I'll Do For You Anything You Want Me To
Barry White
(Barry White)

Nothin?and nobody
Baby, could ever take or stop
The love that I have for you
It's very simple, you see it's
Baby, it's real
It's so, so real
What I feel

I'll do for you anything you want me to
You're my world, my hopes and dreams
Without you, girl, it don't mean a thing
For you I'll do anything you want me to
You're my world, my hopes and dreams
Without you, girl, it don't mean a thing

I never thought that I would be knowin' eel the fire
I'm burnin' up from one desire
The thrill from loving you
I can't help myself, I swear it's true

I'll do for you anything you want me to
You're my world, my hopes and dreams
Without you, girl, it don't mean a thing
For you, girl, I'll do anything you want me to
You're my world, my hopes and dreams
And without you, girl, it don't mean a thing

I never thought that I would be feeling
Love so strong for so long and still willin' no, no
No, no
Uh...

I'll do, girl, for you anything you want me to
You're my world, my hopes and dreams
Without you, girl, it don't mean a thing
For you I'll do
