Lord have mercy, everybodys there
Hey, what's goin on man, yeah
she's at home, yeah, she's at home
Yeah, she's at home

Let the music play
I just wanna dance the night away
Here, right here, right here is where Im gonna stay
All night long, ooh, ooh, ooh, ooh, wee

Let the music play on
Just until I feel this misery is gone
Movin, kickin, groovin, keep the music strong
On and on and on and on and on and on and on and on
and on and on and on and on and on and on

Im out here dancin and still, huh
I can't erase the things I feel
The tender love we used to share
See, it's like it's no longer there
Ive got to hide what's killin me inside

Let the music play
I just want to dance the night away
Here, right here, right here is where Im gonna stay
All night long, ooh, ooh, ooh, ooh

Let the music play on
Just until I feel this misery is gone
Ah, movin, kickin, groovin, keep the music strong
Ah, let it play on and on, let it play on and on and on
and on and on and on, play on, and on, play

I think Im gonna be alright, ha, ha, ha
If I can make it through the night, oh, Lord
I'll just pretend she's here with me
I'll close my eyes, her face I'll see
I know it's make believe, but it's the only hope for me

Let the music play

I just wanna dance the night away
Ah, here, right here is where I'm gonna stay
All night long, ooh, ooh, ooh, wee

Let the music play on
Just until I feel this misery is gone
Movin, kickin, groovin, keep the music strong
Let it play on, let it play on, let it play on, please, let it
play on, let it play on
