One ticket, please  
Lord have mercy, everybodys there  
Hey, what's goin on man, yeah  
she's at home, yeah, she's at home  
Yeah, she's at home

Let the music play  
I just wanna dance the night away  
Here, right here, right here is where Im gonna stay  
All night long, ooh, ooh, ooh, ooh, ooh, wee

Let the music play on  
Just until I feel this misery is gone  
Movin, kickin, groovin, keep the music strong  
On and on and on and on and on and on and on and on  
and on and on and on and on and on and on

Im out here dancin and still, huh  
I can't erase the things I feel  
The tender love we used to share  
See, it's like it's no longer there  
Ive got to hide what's killin me inside

Let the music play  
I just want to dance the night away  
Here, right here, right here is where Im gonna stay  
All night long, ooh, ooh, ooh, ooh

Let the music play on  
Just until I feel this misery is gone  
Ah, movin, kickin, groovin, keep the music strong  
Ah, let it play on and on, let it play on and on and on  
and on and on and on, play on, and on, play

I think Im gonna be alright, ha, ha, ha  
If I can make it through the night, oh, Lord  
I'll just pretend she's here with me  
I'll close my eyes, her face I'll see  
I know it's make believe, but it's the only hope for me

Let the music play  
I just wanna dance the night away

Ah, here, right here is where Im gonna stay  
All night long, ooh, ooh, ooh, wee

Let the music play on  
Just until I feel this misery is gone  
Movin, kickin, groovin, keep the music strong  
Let it play on, let it play on, let it play on, please, let it  
play on, let it play on
