We got it together didn't we
We definately got our thing together don't we baby
Isn't that nice
I mean really, when you really sit and think about it
Isn't it really, really nice
I could easily feel myself slipping more and more away
to
That simple world of my own
Nobody but you and me
We got it together baby

My first, my last, my everything
And the answer, to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are

I Know there's only, only one like you
There's no way, they could have made two
You're, You're all im living for
Your love i'll keep for ever more
You're the first, you're the last, my everything

In you, I've found so many things
A love so new only you, could bring

Can't see you if you, You'll make me feel this way
You're like a first morning dew, on a brand new day

I see, so many ways that I, can love you
'Till the day i die...

You're my reality, yet im lost in a dream
You're the first, my last, my everything

{ instrumental }

I know there's only, only one like you
There's no way, they could have made two
Girl you're my reality, But i'm lost in a dream
You're the first, you're the last, my everything
