Oh, baby, oh, baby  
(Keep on)  
Come on, baby  
(Keep on doin? it, right on)  
(Right on doin? it)

You got it together  
(Baby, keep on)  
Oh, you got it together, baby  
(Right on, keep on doin? it)  
I will get it baby, oh, I will get it  
(My my baby, keep on)  
I swear you got it together, baby  
(Keep on, keep on)

Whatever, whatever  
Girl, I'll do  
Forever and ever, yeah, yeah, yeah, yeah  
I'll see you through

I've got to keep you pleased in every way I can  
Gonna give you all of me as much as you can stand  
Make love to you right now, that's all I want to do  
I know you need it, girl and you know I need it too

?Cause I found what the world is searching for  
Here, right here, my dear, I don't have to look no more  
And oh, my babe, I hoped and I prayed  
For someone just like you to make me feel the way you  
do

Never, never gonna give you up, I'm never, ever gonna  
stop  
Not the way I feel about you, girl, I just can't live without  
you  
I'm never, ever gonna quit 'cause quittin? just ain't my  
stick

I'm gonna stay right here with you and do all the thing  
you want me to

Whatever you want, girl, you got

Ever, ever you need  
I don't want to see you without it

You've given me much more than words could ever say  
And oh, my dear, I'll be right here until my dyin' day  
I don't know just how to say all the things I feel  
I just know that I love you so and it give me such a thrill

?Cause I found what this world is searching for  
Here, right here, my dear, I don't have to look no more  
And all of my days, I hoped and I prayed  
For someone just like you to make me feel the way you  
do

I'm never, never gonna give you up, I'm never, ever  
gonna stop  
Stop the way I feel about you, girl, I just can't live  
without you  
I'm never, ever gonna quit 'cause quittin' just ain't my  
stick  
Gonna stay right here with you, do all the things you  
want me to

Oh, I'm never gonna give you up, I'm never, ever gonna  
stop  
All the things I feel about you, girl, I just can't live  
without you  
I'm never, ever gonna quit
