Oh, we're goin' out tonight, finger poppin'  
You look outta sight, won't be no stoppin'  
All the discotheques better be ready  
We're gonna hit em hard, hard and heavy  
Party strong, all night long, just you, girl, and me

You're my million dollar baby  
My pretty sexy lady, oh  
Oh, what a night for dancing  
Oh, what a night for romancing

We're, we're gonna laugh and dance half the night  
away  
We're gonna scream and shout while the music plays  
Then around about two, tell you what I'm gonna do  
Girl, I'm gonna take you home and stick plenty love to  
you  
Let's get it on all night long, just you, girl, and me  
You're my million dollar baby  
My pretty sexy lady, oh  
Oh, what a night, what a night for dancing  
What a night, yeah, for romancing

Oh, oh, what a night, what a night for dancing  
What a night, oh, what a night, for romancing

Oh, what a night, what a night for dancing  
Oh, what a night, what a night for romancing  
You're my million dollar baby  
You're my pretty sexy lady

Oh, oh, what a night, what a night  
What a night for dancing  
Ooh, what a night, yeah, for romancing, ooh baby
