Whoou, my dear, that isn't thunder that you hear.
It's only the beating of my heart when you are near.

For you are the light, the very light in me. (Oh, yes, you are.)
Without you, without you, darling I cease to be.

Oh no, don't never end, no no no, baby.

And, baby baby, that isn't raindrops on your face (oh no).
It's only the tears tears from my eyes when we embrace (oh yes).

Hey hey yeah, you're my happiness, my happiness from day to day.
(Oh, yes, you are. Yes, you are. Yes, you are.) Forever, my darling,
I pray you'll stay.

Oh no, don't let it end, no no, baby.

Yeah yes, out of the shadows of love I'm walking to light.
It was you, it was you, you made the wrong thing right.
