You know B.W. I've heard it said  
I That a woman is a man's greatest git

Sure you're right

And success ain't nothin unless you have someone to  
share it with

Mmmmm, so true, so true  
I I've always felt that it's great to achieve in life  
I Not having someone other than yourself to share it  
with it is, uhh

Sho' YOU'RE right

Quite sad

In my case, I may have found someone (mmm)  
I I want, all, of that someone

Yeah, I know what you mean  
Well I'll tell you my friend  
i Just, communicate with her  
And always say what you mean and mean what you say  
Because, it's her that you want all of me  
Aoww

Come here baby  
Come bring ALL of you to me  
When I say I want all of you  
I mean I want all of you from your head to your feet  
(mmm)  
I wanna taste everything from your lipstick to your  
toenail polish

C'mere Kane brother

I want you I want you  
I want to hold you, I want to massage you  
I want to comfort you, I want to sooth you (mm!)  
You know the way you're standin still there

I just wanna lay on the floor and make love to your  
shadow  
(A-heh) Sounds silly don't it?

Not really

But for real, let me come on over there  
Run my Hngers through your hair  
Hold your Nair, and undo that brassiere  
My dear

Daddy Kane

Because tonight girl, all of me wants, all of you  
Ohhhhhh

Meeeeeeee, all of meeeeeeee  
Wants alllllllll ofyouuuuuuuuuu  
Let's start tonight, I know you're right  
Over and over and over  
Let's do it now, you show me how  
Over and over and over again

Oh I can tell you're serious aren't you?  
|'m glad to see that you feelin, this way  
That there's somebody in this world that  
Make you want to give up that kind of commitment  
Love is such a beautiful thing when it's, equally shared

Tell em Maestro

When two people, End the same common ground  
They call it, having, so much in common  
Making love is one of things that people, these days  
Seem to End too common

Communicate B.W

Sho' you right  
So I want you to know, that I really feel  
That you gonna make it all the way with this young lady  
You got my love, my respect  
You're bad young man, you're bad

Meeeeeeee, all of meeeeeeee  
Ooh baby, mmm  
Wants alllllllll of youuuuuuuuuu  
All of you  
Let's start tonight, I know you're right  
Oh, yeahhhh  
Over and over and over

Let's do it now, you show me how  
Can we do this?  
Over and over and over again  
And over and over and over and over

Meeeeeeeee, all of meeeeeeee  
Yes love, all, of me  
Wants allllllllll of youuuuuuuuuuu  
I want you  
Let's start tonight, I know you're right  
Mmmmm, sho' you right  
Over and over and over  
I want it now, come show me how  
Come show me  
Over and over and over again
