The first, the last, my everything  
And the answer to all my dreams  
You're my sun, my moon, my guiding star  
My kind of wonderful, that's what you are  
I know there's only, only one like you  
There's no way they could have made two  
You're all I'm living for  
Your love I'll keep for evermore  
You're the first, your the last, my everything

And with you I've found so many things  
A love so new only you could bring  
Can't you see it's you  
You make me feel this way  
You're like a fresh morning dew on a brand new day  
I see so many ways that I  
Can love you till the day I die  
You're my reality, yet I'm lost in a-a-a a dream  
You're the first, the last, my everything

I know there's only, only one like you  
There's no way they could have made two  
Girl you're my reality  
But I'm lost in a-a-a a dream  
You're the first, you're the last, my everything
