We got it together
didn't we?
Nobody but you and me
we've got it together
babe.

The first
my last
my everything and the answer to all dreams
You're my sun
my moon
my guiding star

My kind of wonderful that's what you are.
I know there's only one like you
There's no way they could have made two
You're
you're all I'm living for

Your love I'll keep for evermore.
You're the first
you're the last
my everything.

If you are buyin' so many things

a love so new only you could bring
Can't you see if you
you make me feel this way
You're like a fresh morning dew or a brand new day.

I see so many ways that I can love you
'Til the day I die you're my reality
yet I'm in a dream
You're the first
the last
my everything.

I know there's only
only one like you
There's no way 'they could have made two
Girl

you're my reality
but I'm lost in a dream
You're the first
you're the last
my everything.
