We got it together, didn't we?
We've definitely got our thing together, don't we baby?
Isn't that nice? I mean, really, when you really sit and
think about it,
Isn't it really, really nice?
I can easily feel myself slipping more and more ways
that simple world of my
Own
Nobody but you and me
We've got it together baby
The first, my last, my everything
And the answer to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are
I know there's only, only one like you
There's no way, they could have made two
Girl you're all I'm living for
Your love I'll keep forever more
You're the first, you're the last, my everything
In you, I found so many things
A love so new only you could bring
Can't you see it's you?
Can't you see it's you?
You make me feel this way
You're like a fresh morning dew
On a brand new day
I see so many ways that I
Can love you til the day I die
You're my reality, yet I'm lost in a dream
You're the first, the last, my everything
I know there's only, only one like you
There's no way they could have made two
Girl you're my reality, but I'm lost in a dream
You're the first, you're the last, my everything
You and me baby, just you and me
You are the first, the last, my everything
