Whachu say your name was? Well, um
Lookin' real sexy right now, you an' your girls
Are lookin' good, look, why don't y'all take off y'all
jackets?
What's your name, baby? Word? Okay
Tell your friend right there this, this my man Busta

Hmm, I know you starving for this shit
Baby I'm feelin' your hunger
I'm so clean call a nigga Felix Ungar
So what if I said it baby I'm still gon' tell ya'
I hope your ass bigger than Willona an' Thelma

An' listen, it's Busta Rhymes, bitch, I ain't never fail ya'
Your ass all over like paraphernalia, hmm
See the police gon' jail ya'
For walkin' around wit the kind of ass that'll kill ya'

Now, don't worry 'bout it, I got money to bail ya'
Shorty stackin' like a mule, type of shit that'll scare ya'
Headboard bang, bump the side of ya' head
Watch how ya' ass spread, spill all off the side of the
bed now, hmm

Now whachu do to the dread? Baby, your ass really
changed
What he initially said because a nigga dead
But fuck em, 'cause now we vibin' an' talkin' an' shit
I love to hear your ass go ga ga goon, when you walkin'
an' shit

Move girl, like your ass on fire, like your ass on fire
Move girl, like your ass on fire, like your ass on fire
Move girl, I'll light your ass on fire, I'll light your ass on
fire
Move girl, I'll light your ass on fire, bitch, I'll light that
ass on fire
Move girl, I'll light your ass on fire

Bust it, baby I know you probably really
Need a table cloth to cover your ass
Diggin' in your pocket, while you rubbin' yo' ass

shit so big, just put the club in yo' ass

Prep the H2, park it right in front of yo' ass
I see your little gap between your cunt and yo' ass
An' make you jump inside the whip an' smoke a blunt
wit yo' ass
I'm sayin', "Hmm", the shit'll spread like a rash

The way they ass wiggles, see I got the shit on a smash
Now listen, I light the L, smell a wiff of the bash
An' bag all the bitches, now watch you see me zip in a
flash
I'm sayin', "Hmm", now I'm a put you on blast

Just like a tint window when you put your shit on the
glass
Bust right through the window, then it sit on the dash
An' have a nigga drivin' reckless 'til you makin' him
crash
Hah, c'mon, we makin' money an' shit
Now pop your muffin while we be watchin' you shakin'
your shit

Move girl, like your ass on fire, like your ass on fire
Move girl, like your ass on fire, like your ass on fire
Move girl, I'll light your ass on fire, I'll light your ass on
fire
Move girl, I'll light your ass on fire, bitch, I'll light that
ass on fire
Move girl, I'll light your ass on fire

Welcome, too hot in Hazyville
It make you wanna dance 'til you break your heels
I know you love the way the God make your feel
Now watch me get deeper than a Navy Seal

It got a crazy feel
Shit feel like you in a danger field
Hypnotize, stuck in her, daze for real
That's exactly why we call this one Hazyville

Baby, just shake ya' ass 'til you spread on the floor
I noticed that your ass too big for your drawers
You need a, a chiropractor just to marry yo' ass
To tell the truth, you need a tractor just to carry yo' ass

Fo reala, you motherfuckers probably think that I'm
playin'
All bitches love to talk an' all that other shitl be sayin'
An' goin', "Hmm", see how you puttin' it down
I love the way you shake it, throw it around

Move girl, like your ass on fire, like your ass on fire
Move girl, like your ass on fire, like your ass on fire
Move girl, I'll light your ass on fire, I'll light your ass on
fire
Move girl, I'll light your ass on fire, bitch, I'll light that
ass on fire

Welcome, too hot in Hazyville
It make you wanna dance 'til you break your heels
I know you love the way the God make your feel
Now watch me get deeper than a Navy Seal

It got a crazy feel
Shit feel like you in a danger field
Hypnotize, stuck in her, daze for real
That's exactly why we call this one Hazyville
