Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more (What you say? )

Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more  
Whoa, Woman, oh woman, don't you treat me so mean  
You're the meanest old woman I have ever seen  
I guess if you said so, I'd have to pack my things and go (That's right)

Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more (What you say? )

Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more  
Oh baby, oh baby, don't ya treat me this way 'cause I'll get back on my feet some day

I don't care if you do 'cause it's understood, you ain't got no money you just no good

I guess if you say so, I'd have to pack my things and go (That's right)

Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more  
Buster?

What you call me?

You are ridicules

Whoa

Why don't you just pack your little suitcase and go on back to Bogalusa (Yeah)

Well I just may do that baby, I just may go hit the road and try to find myself

Find your self, well if you do, and when you do, get lost  
Who me?

That'right

Hit the road Jack and don't you come back no more, no more, no more, no more

Hit the road Jack and don't you come back no more (What you say? )

Hit the road Jack and don't you come back no more, no  
more, no more, no more  
Hit the road Jack and don't you come back no more  
Don't you come back no more (Baby please)  
Don't you come back no more (You can not do this to  
me)  
Don't you come back no more (Oh baby please)  
Don't you come back no more  
Don't you come back no more (But, but, but baby)  
Don't you come back no more (Oh baby please)  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more  
Don't you come back no more
