Isolated, we are castaways  
Alone in room 220, all summer days  
Were reprimanded by a guy named Scott  
Got the grace that replaced a strike we shoulda got  
Butchie Whuchie was the song we sang  
Da Summer staff, da SEALs, Butch and da gang  
Uptown victory with Pop- and da boys  
Boca downtown just hearing the noise  
Da SEALs were out, da board was gone  
Da hooptie was crashed or so says the song  
Now summers over in one fact we trust  
Morris and Sam-Mac; Geeks or bust  
(chorus)  
\*What will people think when they hear that Sam and  
Craig are geeks  
What will people do since they know that it's true  
I don't really care if we are labeled "super geeks"  
Cause there ain't no disguising the smell\*  
(No we ain't into using Glade)  
(cause there just ain't no hiding the smell)  
(chorus second time through)  
\*What will people think when they find out that Sam's a  
geek  
What will people do since they know Craig is too?  
We don't really care if we are labeled "super geeks"  
Cause there ain't no disguising the smell\*

Our lust for cleanness must be vain  
The other staff think we must be insane  
The Navy SEALs know of our strengths  
And to find them they sniffed for some near fatal  
lengths  
I saw Craig with a tattoo on his six pack stomach  
He was hanging around in his Moses tunic  
It took Sam a while to see who it was  
Time spent watching it did it just cause  
Butchie Wutchie is who it showed in a typical tattoo  
green  
He stood on a stool in the middle of the pantry  
And was hooked on Helene  
Our lust for cleanness must be vain  
The other staff think we must be insain

The Navy SEALs know of our strengths  
And to find them they sniffed for some near fatal  
lengths  
Sam boy mac had a lot on his mind  
The tapes that he copied were a waste of time  
He did his laundry when people observed  
His obsession with regression hadda be curbed  
Nobody questioned that he was da man  
His Navy Seal pranks were the talk of the land  
"Green Barettes" was his group so to speak  
And that totally proved he was a super geek  
(Chorus)
