Is this one for summer staff?  
Is this one for my Butch?  
Or do I simply serenade to make the staffers laugh?  
You can jumble them together, my conflict still remains  
For Oreo is barking, in the midst of courting him  
Cause I see the trust in their eyes  
But they don't believe me  
He needs my love in his life  
Though his fly is down  
(Chorus)  
\*What if I stumble, what if I stoop?  
What if I have 10 kids and they all look like Butch  
Will the love continue?  
When they start to crawl  
What if I stumble, and what if I stoop?\*

Staffers please forgive me for I cannot compose  
The love that lives for a within me for a certain SS Cord  
If this struggle has a purpose on the narrow road I walk  
Why do I dread these decisions  
Will cause me not to talk?  
Do they see the love in my eyes?  
Are they so revealing?  
This time I cannot disguise  
All the desire I'm feeling.  
(Chorus)  
Everyone's got to crawl when you know that  
You're up against a wall, it's about to fall  
I hear him whispering my name  
He says  
"My love for you will never change  
Never change"  
(Chorus)  
What if I stumble?  
What if I stoop?  
When I see him, he makes we wanna flip.  
What if I stumble, what if I trip?  
He is my comfort, and my love.  
Is this one for summer staff, is this one for my Butch?
