"The Galaxy Is Gay"

did you know it's coming you can tell by the weather
you can tell by the way we walk
things are gonna get better
sure wish you would have gone here
wish just the same you'd stay next year
who are you anyway
and how did you get inside
I heard you're from galaxy
and now you've got to hide
sure wish you would have gone here
wish just the same you'd stay next year
this is not what you wanted to happen to us
Unbroken
it's you
it's you
unbroken
nothing new
it's you
