It's the last thing that you would expect
A mother fucking zombie showing on your door step
So I slammed the door latched the pin
Turned around the fuckers already in
Now I'm running up the stairs and I'm well aware
That the bread and multiply when there in your affairs
With no time to spare I grab the 12 gage
Twisted mutha fucka sending me into a rage
So I gotta take them out there's no doubt in my mind
That these zombies gotta bounce I hope they ready to
fly
And I'm really gonna bout not this is not fine
Flirting with sanity I'm not crossing that line
It's the killer inside that's been hidden and lost
Drama brings it out it's a Zombie holocaust
Pull the trigger matter splatter and I'm really gonna
batter
These interruptions that be crushing all the goal that I
am after
Pure disaster when the trigger clicks
And I can't find the time to reload my shit
So fuck the gun on the run bouncing heads wall
Watch them fall can't stall attempt to ghost them all
Can't haunt me with your weird spooky tactics
I'm immune to that shit so you better tell the fag kids
To stay off my block or I'm killing your spouse
Reload my glock this is my fucking house!

This is my house

Now they don't play fair, Oh you're not there?
Swear I see those zombies right there!
Hatin' hataz infecting me like the blair
Silhouettes of ghost I cannot prepare,
3 O'clock (A.M.) There's notes wrote in chalk...
Something's not right on my block.
It's part of the haunt but my house you can't stalk,
Cause I got a loaded chopper wanna get shot?
Specter layered like a vector inspector
I need affixer for this hexor hopin'
Haughting hataz will grant you elixir
But I fade you like a mixer.

Drama ghost try to bring the haunt
But I blow them back with a shot gun taught,
My phones bleed ooze, toxic glue that'll easily stick to
me or you,
Mummies and killers surround my house, they want me
dead,
There's no way out! The clash of the titans-a
destructive drought,
Deranged noises... I CAN HEAR THEM SHOUT!
So I grab the K and spray the A cause an evil gets burnt
my way,
Fuck you conniving fucking spirits,
Try to sued my life I DON'T WANNA HEAR IT!
