Lost my virginity in 8th grade dickin' down hoes that
come my way
I'ma play play play baby yay, up to the clarksummit hot
I got hoes that fuck ya shit on the spot, tap a hoodrat,
A dick for that ass hit it raw make ya tummy look
hooked and fat,
Child support but I'll kill the shit instead,
Take a mother fuckin' ax, to the soft of the head,
I'm a nympho juggalo chillin' pretty snug,
Easy on the compliments bitch I know I'm hung,
I chill with the Southwest Mafia, Family love what's
stoppin' ya?
I could mack a lesbo and still get a dap
Sweat drippin' like rain from the front to the back,
Ya like my junk on the bumpy fuck, dicks gettin' fat
Now why you gotta do that! Oh.

All the hoes up in the club been fuckin' me(why you
gotta do that)

I need my dick wet my minds set searching for a
Juggalette
Never going steady cause them bitches always get
upset.
Take it in your face best prepare for the taste
And your head stays in place where? Right below my
waste.
Lets keep it simple I don't want to wrestle
Just pretend your mouth is a military vessel
Now open up that hatch with one big grin
I hope you swallow because here comes my seamen.
I never wanted to stay I only wanted to play
Bitch don't call me baby cause it's not ok.
You gave your number like I was your only lover
And I was gonna call you back? Ha-ha stupid mutha
fucker.
Lets get this right I'm only here for one night
And when you wake up in the morning I'll be on the next
flight.
Stupid fucking bitch getting to close to a scrub
This aint E-Harmony bitch this is juggalo love

RXC-BITCH; You don't know a thing ABOUT ME or what
the fuck I do

Another shit talking trick till mouths full of dick
Lick you lips like a snake dancing and hips brake
Take a step back what do I want with that
You're a dirty fucking sleaze now why you gotta do
that?

It's heart break city when I'm grabbin' those tities,
Bust a nut and have my niggas pullin'.50's,
We kill those sluts once we catch I nut,
I don't give a fuck now show me what's up.
