Fell into a blizzard and it covered me with ice  
I try to reach the surface but I slide  
And not for just a second and not for just a night  
Not for just a lifetime, but yet for all time

Nevermore, nevermore, nevermore, nevermore  
Now when I get the message  
Nevermore, nevermore, nevermore, nevermore  
I know it's a promise I can keep

Maybe I am silly  
You see it in my eyes  
Drinking from the gutter to survive  
Judge me in my sorrow, and judge me in my pride  
Baby, show me mercy, one last time

Nevermore, nevermore, nevermore, nevermore  
Now when I get the message  
Nevermore, nevermore, nevermore, nevermore  
I know it's a promise I can keep

A poet with his pencil and a mother with her son  
A priest without religion, and now I'm done

Nevermore, nevermore, nevermore, nevermore  
Now when I get the message  
Nevermore, nevermore, nevermore, nevermore  
I know it's a promise I can keep
