"Well, I'm Sorry"

You wake me up late at night
This time it's either black or white
I look at your swollen eyes
You whisper: "Don't let me die"

Well, I'm sorry
Sorry for tonight
And I'm sorry
Sorry for the chain so tight
And I'm sorry
For the truth I kept unsaid
For the love you never got to have

What happened to you and me?
We're both aboard a sinking ship
I fight for my point of view
I say it's wrong, but it's true

Well, I'm sorry
Sorry for tonight
And I'm sorry
Sorry for the chain so tight
And I'm sorry
For the truth I kept unsaid
For the love you never got to have

So lover what do you hide?
You've been the master of disguise
And lover we shall not fight
I know you've always been right

Well, I'm sorry
Sorry for tonight
And I'm sorry
Sorry for the chain so tight
And I'm sorry
For the truth I kept unsaid
For the love you never got to have

I'm all alone
