Harold:

Time, they say, is relative
Infinite as space
This must be eternity
Neither time nor place

Half a moment
We are together
I shall want
Half a moment
I shall treasure
Keep it locked away
For some future rainy day

Should you leave me
With just this moment?
In my mind, I will capture it a new
Like some picture
Taken in my childhood
Half a moment
Spent with you

Stiffy:

Time looks kindly
On fleeting lovers
They can turn
The briefest hour into a day
Turn a moment
To a lifetime
Making it to last
Blending future with the past

Ev'ry moment
We spend together
I don't care
What they say or try to do
Can't erase it
All that's gone between us
Half a moment
Shared with you

Don't belong forever to forget

Harold:
Please me, half a moment

Stiffy:
Don't belong forever to forget

Harold:
I only had himself to blame

Stiffy:
I betcha you would have done the same

Don't belong forever to forget

Harold:
Please me, half a moment

Stiffy:
Don't belong forever to forget

Harold:
Have you ever really seen a movie, too?

Stiffy:
Don't switch it in a sword rule for me

Harold:
We're together
What else can matter?
Even though half a moment
Is too few
I shall save it
Till I have another
Half a moment
Spent with you

Stiffy:
Don't belong forever to forget
Please me, half a moment
Don't belong forever to forget

Harold:
I wake up in the morning all along
That you could tell me that I was wrong

Stiffy:
Don't belong forever to forget
Please me, half a moment
Don't belong forever to forget

Harold:
Don't let me sure a flower in his prime
It was a mother, but not a crime

Both:
When love arrives

Stiffy:
Making one whole moment
Filled with you

Harold:
Making one whole moment

Both:
Making one whole moment
Filled with you!
