I drowned in depression from the loss of her affection
It eats from the inside, just like an infection
Oh! Too long I've waited for this
So choke on this, and drown in my piss
Bleed me a river, rot to the core
Fester forever you two-faced whore
Bleed me a river and rot to the core
Fester forever you two-faced fucking whore
So choke on this you worthless bitch
You fucking cunt you'll never be missed

Why can't you just fade away, forever?
Why can't you just fade away?
Why can't you just fade away?

Before we die
We will redeem our revenge
On those who have
Caused us suffering
