Words that you said
Baby what do you want
After you left
Baby what did you want

While all along,
It was there in a song that you love
After the storm
Baby what will you want

Reasonable time
Baby that's all I need
Just time enough
Babe for you to agree

Where did we go wrong,
Or were we right all the time
After the storm
Baby will you be mine?

Deeply in love we fell (In love we fell)
Into a magic-spell (A magic spell)
Deep as a wishing well
Only the time will tell

Where did we go wrong,
Or were we right all the time
After the storm
Baby will you be mine?

Sheltered and warm
Though the cold winds may blow
Make up your mind
Baby let our love grow

There all along
In the words of a song that you love
After the storm
Will you know what you want?
After the storm
Baby what will you want?
