Written by Gene Clark

The reasons why
Oh I can say
I have to let you go, babe
And run away
After what you did
I can't stay on
And I'll probably feel a whole lot better when you're
gone
Baby for a long time
You had me believe
That your love was all mine
And that's the way it would be
But I didn't know
That you were putting me on
And I'll probably feel a whole lot better when you're
gone
Up when you're gone
Now I've got to say
That it's not like before
And I'm not going to play your games anymore
After what you did
I can't stay on
And I'll probably feel a whole lot better when you're
gone
Up when you're gone (x3)
