The first thing that I  
Heard you say  
when you were standing  
There said in your way  
was that you were not blind  
You were sure to make a  
Fool of me  
'cause there was nothing  
There that you could see  
that could go beyond your  
Mind.  
Now who's standing at the  
Door  
remembering the days before  
and asking please be kind  
It isn't how it was set up  
To be  
but I set you free this time

I have never been so far  
Out in front  
that I could ever ask for  
What I want  
and have it any time  
Knowing this you found the  
Thought for me  
that told you just what I  
Should be  
and there I stood behind.  
With all the ones that were  
Before  
and memories that only seem  
To tear me from my mind  
In front of what it is you  
See me to be  
I've set you free this time.

I could never find a chance  
To choose  
between a way to win or a  
Thing to lose  
because there was your stand

On top of all of the love  
You took  
that was always something  
You could look at  
lying in your hand  
Now who's wondering what  
Has changed  
and why it cannot be  
Arranged to have each thing work fine  
It isn't how it was set up  
To be  
but I've set you free this  
Time
