Written by Louvin/Louvin

My buddies tell me that I should've waited  
They say I'm missing a whole world of fun  
But I still love them and I sing with pride  
I like the Christian life

I won't lose a friend by heeding God's call  
For what is a friend who'd want you to fall  
Others find pleasure in things I despise  
I like the Christian life

My buddies shun me since I turned to Jesus  
They say I'm missing a whole world of fun  
I live without them and walk in the light  
I like the Christian life

I won't lose a friend by heeding God's call  
For what is a friend who'd want you to fall  
Others find pleasure in things I despise

I like the Christian life  
I like the Christian life
