I got my first papers today
Maybe seven, seven years to late.
'Cause 18 hours that watched us fall,
And one of us can't sit here and say we gave our all.

Chorus:

'Cause I went insane
I cracked the walls, and let you down, and I made you
feel so small,
But you really got me now.
You got your pride
Your standin' tall
Your chin held high,
Your not missin' me at all
You got your heart rollin' outta town,
And it's all over now.

This wasn't really what you needed.
You saw love, wrapped in misery,
And all this angst up and down our halls
Reverberating reflections of where we lost it all.

Chorus:

'Cause I went insane
I cracked the walls, and let you down, and I made you
feel so small,
But you really got me now.
You got your pride
Your standin' tall
Your chin held high,
Your not missin' me at all
You got your heart rollin' outta town,
And it's all over now.

I never should have drug you,
Through this mess that I am in.
Just promise that you'll never let this happen again,
Happen again.

'Cause I went insane
I cracked the walls, and let you down,

made you feel so small,
But you really got me now.

Chorus:

'Cause I went insane
I cracked the walls, and let you down, and I made you
feel so small,
But you really got me now.
You got your pride
Your standin' tall
Your chin held high,
Your not missin' me at all
You got your heart rollin' outta town,
And it's all over now.

And it's all over now.
